Application 01-10-028

**ADMINISTRATIVE LAW JUDGE'S RULING
SETTING ASIDE SUBMISSION, RE-OPENING RECORD,
AND DIRECTING PARTIES TO MAKE FILING**

After review of the record in this proceeding, I have concluded that the record should be supplemented with additional information as set out below. The parties may file and serve a joint document or separate documents.

No later than June 21, 2002, the parties shall file and serve a document containing the following information and discussion:

1. Complete tables reflecting the agreed-upon rates for the attrition years.
2. Comparison exhibit tables showing the revenue requirement impacts of excluding the proposed California Alternative Rates for Water.
3. Explanation of the specific and overall effects on the company's proposal of the litigation settlement for the contaminated water treatment facilities.
4. Discussion (and documentation or references) explaining the primary causes of the rate increase, with specific dollar amounts attributed to each issue. The comparison exhibit shows an approximate revenue requirement increase of \$4 million for 2002 and \$1.5 million for 2003.

The primary items that lead to these increases should be delineated and explained with text and record references. Any similar increases for the attrition years should also be explained.

Therefore, pursuant to Rule 77 of the Commission's Rules of Practice and Procedure, I set aside submission of this proceeding, re-open the record for the above-listed items, and re-set the submission date to June 21, 2002.

IT IS SO RULED.

Dated June 7, 2002, at San Francisco, California.
